

AKVA Sign holder

Visible pen numbering

AKVA group outdoor pen sign holders are easy to use and give the fish farmers and passing boats a better overview over the locality of the pens.

- The sign holder makes it easier to mark the pens with their specific pen numbers
- The sign holder can be delivered tailor made after the fish farmers specifications, incl. logo or with standard numbers
- The sign holder is mounted directly on the pens railings and can easily be placed where they are most visible
- The sign holder is delivered in HDPE material
- It is recommended 2 pcs. pen number on each pen
